21/743 PUBLIC TIME

21/743/a Public Time:

21/743/b District Councillor: District Cllr. Stanton had emailed a report that had been circulated to the Parish Councillors. Councillor Stanton also reported on the following:

Caravan parked at Westport update: Councillor Stanton reported that they had written to the owner via a correspondence address he was using. He agreed that it does seem to be dragging on. However, if the SSDC do take them to court to get this removed then this is unlikely to be any quicker due to courts having a backlog because of Covid. Councillor Stanton will investigate this further and report back at the next meeting.

Land Adjacent Burgum, Westport: – Councillor Stanton reported that Tim Wills from SSDC had been in touch after the Parish Council had raised concern at the December meeting to Cllr Stanton about the height of the build. He informed the Parish Council that Tim Wills had visited the site and agreed the building was higher than they had been granted. Since then the landowner and agent have surveyed the site again using more sophisticated surveying equipment and agreed that it is higher. They will be submitting a new (Retrospective) planning application for this. The Parish Council vented their disapproval with this and will do so when this new planning application is received. Councillor Dance confirmed they can continue with the build whilst they wait for the outcome of this new planning application, but it was advisable that they don't as there is a risk that they will have to knock it down.

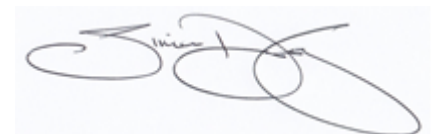

SSDC Officers: Councillor Stanton also informed the Parish Council that many Council Officers have now been re-deployed to help with the Covid vaccine rollout.

Withy Patch - Westmoor Lane – Councillor Stanton reported that he had been informed by Tim Wills that all vehicles and caravans had now been removed. He has liaised with the Arboreal Culture Officer at SSDC about reinstating the traditional rural hedgerow that was removed.

21/743/c County Councillor: County Cllr. Dance had emailed a report that had been circulated to the Parish Councillors. Cllr Dance also reported on the following:

Gritting of Westmoor Lane: Cllr Dance has put in a complaint to SCC Highways following the recent Westmoor Lane RTA. This was due to black ice on the road and involved a car, ambulance and fire engine. He has requested that due to the current state of the road with its deep ditches and the severity of the cambers that it must be gritted. It is a route that is used regularly by many who are travelling into Yeovil. The dangers of this road had been raised in the past by the Parish Council to Highways, who replied by saying the road was totally safe. Chairman Cllr. Denley to write to Highways again to reiterate the Parish Councils concerns.

Action: Cllr Denley

County Elections: County Council has written to the Secretary of State to ask for a deferral in the County elections for a year, due to the Unitary. They are still waiting a reply. As it stands, County Council elections are due in May. However, because we are in another Lockdown due to Covid-19, he felt the elections are likely to be postponed anyway until later in the year. This will be confirmed..

Parking in South Petherton: Cllr. Dance reported that there is a traffic warden who is still patrolling in South Petherton during lockdown and warned people to be careful where they parked. He was going to ask County if this could be stopped at the moment due to the number of people working from home and therefore parking on the road.
